Re: Results of tests performed on samples received on 01/10/12.

EXOVA SAMPLE #0110119
SAMPLE DESCRIPTION: GROUND MEAT/GRASS FED

Exova is not responsible for the display of information on nutritional labels. Consult the Federal Register; Wednesday, August 18, 1993 for information about the display of the material in this report on your nutritional labels. Your serving size may be different. You may wish to change the reporting of information in this report on your nutritional label. The nutritional facts display in this report is not camera ready.

Not all nutritional parameters are tested on each product. Check below to see what tests may not have been performed or which additional tests were performed. If additional testing or changes are required, Exova must be notified within **10 days** of the issue of this report.

Exova uses AOAC and other accepted procedures for testing. Total Carbohydrates are determined by difference and calorie calculations are based on the 4-4-9 rule. Carbohydrates and calories listed on this label(s) do not include sugar alcohols or other sugar substitutes or carbohydrate substitutes or deducted dietary fiber. Unless otherwise indicated, these substitutes are not tested for or considered in this report. Exova must be notified in advance if testing for sugar alcohols or other sugar substitutes or carbohydrate substitutes is required. The Federal Register does not have rules for reporting 'reduced' or 'net' carbohydrates, but such claims cannot be made on the nutritional panel itself and if used must be made elsewhere on the label and are the responsibility of the client. If the client needs special calculations based on other than normally used calculations for the data derived for this report, Exova must be notified in advance.

All samples will be discarded by Exova 30 days after the issue of this report unless other arrangements are made. This report and information in this report is the exclusive property of above named client. This report and the information contained in this report are subject to the terms and conditions on the back of this report.

NOT TESTED: VITAMIN C, DIETARY FIBER AND SUGARS

THANK YOU
Nidal Kahl, General Manager
Brian Parmenter, Technical Director

A handwritten signature in black ink, appearing to be "Nidal Kahl", written over the printed name of the General Manager.
